GUARANTEE —

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.
2. All bulls sold as separate lots are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported at the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.
3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under 16 months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over 3 months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within 3 months from date of sale; all others served within 3 months of date of sale not proving in calf or not settled must be reported within 6 months. Heifers not settled when 22 months of age shall be promptly reported. Heifers over 16 months of age sold open, not settling within 6 months of date of sale, shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial after a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.
5. Animals sold become the property and risk of their new owners as soon as bid off. Terms of sale are cash. Settlements to be made with clerk immediately following the auction. The sale of each animal becomes a contract between the buyer of each animal and the seller, and the seller agrees to deliver a free and clear title by means of proper registration transfer of each animal.
6. A certificate of registry in the Canadian Shorthorn Herd Book for each lot will be transferred to the new owner upon payment of successful bid price in this auction. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.
7. Breeding dates will be announced Sale Day.
8. Open heifers will not be kept for breeding, but may be returned to farm for services of any of the Herd Sires, if desired.
9. Cattle purchased for shipment to Western Canada will be held until Royal Winter Fair time, and pool shipments arranged for the convenience of the purchaser.

OFFICIAL BREEDING DATES WILL BE POSTED ON THE DAY OF SALE

FOREWORD —

WELCOME TO SUNNYHILL FARMS

The year 1961 marks a Golden Anniversary event at Sunnyhill Farms; in the year 1911 the herd was established. Since that time Shorthorns have been the mainstay at Sunnyhill, and they have been of sufficient interest to have attracted my sons, George W. Parker, Russell C. Parker, Ivan Parker, and now, my grandson, Mac Parker, to devote their interests and effort toward the herd.

To mark 50 years with Shorthorns, all of us here at Sunnyhill determined to stage a sale which would be commensurate with the best traditions of Sunnyhill endeavours down through the years.

We have always aimed at breeding better Shorthorns, and for twenty-five years our cattle have been forward at Canada's leading shows, and also present in some of the most important combination auctions of the breed.

Several years ago, we were convinced of the great importance of embarking upon a programme of strengthening and promoting the interests of Polled Shorthorns. We are devoted to this programme and it is a fundamental part of our cattle enterprise.

As the senior member of the Parker partnership, it is rewarding indeed to see all my sons, and my grandson, Mac Parker, establish herds in the one area and operate as a family unit. In an era when family businesses are giving way to large, public owned concerns, it is with pride that I have watched the Sunnyhill farming and cattle programmes continue to expand in acreages and in cattle numbers and still operate as a co-operative family affair. This I believe to be in the best traditions of Canadian and British agriculture.

All of us, Sons, Daughters-in-law, and Grandson, Mac, hope as many of you as possible will be with us on Sale Day, and enjoy the fellowship of the many fine people who are in the Shorthorn business.

WM. E. PARKER,

This is another group of 5 of the bred heifers selling. We have dipped deep into our herd to make this 50th Anniversary Sale a noteworthy event at Sunnyhill Farm.

Sunnyhill Farm Shorthorns

W. E. PARKER & SONS

WATFORD, Ontario

Wayne E. Mely.

Dear Mr. Mely.

We appreciate your enquiry
& enclose catalogue.

The sale catalogue represents
animals developed thru a planned
programme & all entries were born
and raised on the farm.

The sale catalogued cattle
are now separated for review. We
are exposing many at the shows
& they are doing excellent in
competition.

If we can be of further
service please do not hesitate
to write us.

We remain

Sincerely

Deeney Hill Farms
W. E. Parker

P.S. you would be most
welcome at farm
at your convenience or on
sale day.
